*"If only I'd had someone to ask advice of, to sit down with me at Starbucks, to give me all the secrets. I learned by doing stuff wrong. Learn from our mistakes."
- Abbie & Chelsea*

Welcome! We're so glad you've decided to learn the essentials of the business of acting. The objective of The Essentials Series is to equip you--right now--with the business knowledge and technical skills you need to begin your actor journey from wherever you are. The point isn't to wait until you arrive in the big city, the point is to start working as soon as you can and as hard as you can, so when you do make the move you're already off and running. We're excited you're along for the ride, we like you and we love you, and we are for you. Let's get started!
