

INT. INTERROGATION ROOM - DAY

A police man offers the ATTACKER water.

SCHOOL SHOOTER

No thank you... I don't deserve
it...

(breaking down)

I'm sorry! I'm so, so sorry! I wish
I could take it all back. I didn't
mean to hurt anyone. I'm so stupid.
They're all gonna think I'm a
monster now...

(beat)

They pushed me... They just kept
pushing and pushing and PUSHING and
I snapped. I couldn't take being
bullied anymore. I wanted them to
feel what I felt EVERY SINGLE
DAY... Do you know what it's like?
To be unwanted? To feel different?
To feel like an alien?... Every
time I walked I heard the whispers,
I felt the rejection... So yea, do
I feel bad about it? I do but at
the same time, this is the best
I've felt in a long time.
